BUILDING UC HASTINGS UPDATE!

Exciting changes are quickly developing to turn the Building UC Hastings plan into a reality. Too many changes, in fact, to include them all here. However the enclosed letter from our Chancellor and Dean David Faigman describes the many developments that have already occurred plus those on the way. Hope you are as thrilled about the progress as we are!

VOLUNTEER OPPORTUNITIES

Help students prepare for their legal careers by participating in the following programs:

- ✳️ **Bar Exam Supplemental Training (BEST):** You can be a BEST reviewer to help Hastings students improve bar results! Graduates submit up to 13 practice essays or Performance Test answers for review. Reviewers are provided a brief training session and resources. The schedule is flexible and essays are assigned based on reviewer availability. This a great opportunity for both working and retired alumni alike!
- ✳️ **Mock Interviews:** Help Hastings students increase their job prospects. The Mock Interview Program occurs twice a year in January and July. Students go to an alum’s workplace prepared for a simulated job interview. Interviewers conduct the 20-minute mock interview as if they are hiring for a position, and then debrief the student with constructive comments on what worked and what could be improved. The program helps prepare our students for success in actual interviews.

If you are interested in any of these opportunities to engage with students, please contact Tracy Whitlock at whitlocktracy@uchastings.edu and she will arrange a conference call for you to speak with the UC Hastings Director responsible for each of these programs. You can learn more details from the Director and determine how you might be able to help.

UC HASTINGS NEW OFFICIAL SEAL

Each element tells a facet of our story:

THE STAR is used to signal our relationship with the UC system and its rays of light symbolize the discovery and dissemination of knowledge.

THE “H” stands for Hastings

FIAT JUSTITIA — Let Justice Be Done — is who we are and what we do.

1878 is the year Hastings was established as the original law department of the UC system, one of the first law schools established in the Western U.S.
